HYGIENE

Hygiene and cleanability are guaranteed to store food safely and its quality over time. Designed to keep food fresh for longer, reducing the use of energy to a minimum with a full respect of the environment.

EASY OF USE

Designed to reduce cleaning time and running costs, as cleaning is easy with fully removable air conveyors, runners and supports allows easy and fast cleaning. The anti corrosion material on the bottom material allows the usage to use strong detergents to clean the floor.

CAPACITY

Thanks to their design, the Zanussi Professional NAU MAXI Refrigerated Cabinets provide 50l more net storage and reduced risk of corrosion with a hidden evaporate.

ECO GAS

The latest generation of Zanussi Professional refrigerators use hydrocarbons, such as cyclopentane, in the foaming process. This not only increases the performance of the insulation but maintains it over time compared to traditional gases (which lose 18% of their effectiveness in just 42 days).

COSTS UNDER CONTROL GUARANTEED SAVINGS

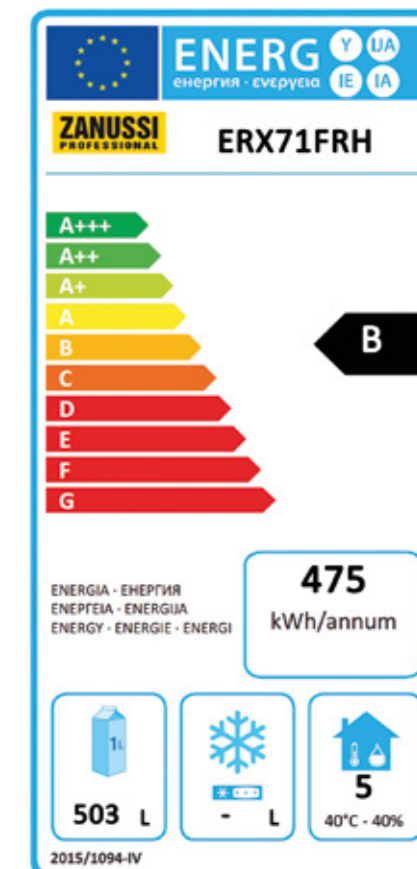

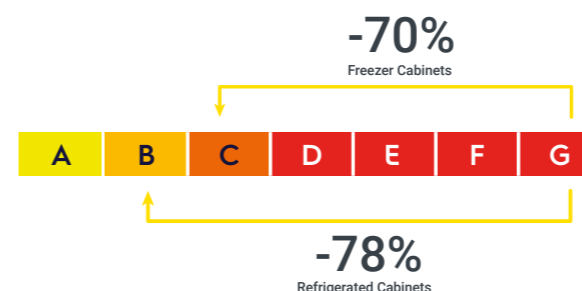

NAU MAXI. THE PERFECT BALANCE BETWEEN PERFORMANCE AND REDUCED CONSUMPTION

EUROPEAN ENERGY CLASSIFICATION FOR PROFESSIONAL REFRIGERATED EQUIPMENT

The label shows the energy class and clearly expresses the energy used during the year by the equipment, thus planning management costs is more precise.

HOW TO GET MORE ENERGY SAVINGS:

- Insulation; less temperature dispersion
- Active Defrost defrosting system
- High efficiency components
- Advanced electronic functions
- Updating your refrigerator from an class G to a Class B, can reduce your costing on bills.

* Label complies with Commission Delegated Regulation (EU) 2015/1094 of 5 May 2015

CLASS 5

Climate class 5 guarantees optimal performance even in critical climate conditions even in heavy duty 40 °C kitchens.

STORE MORE

Zanussi Refrigerated Cabinets offer more storage capacity while retaining the same footprint as a conventional refrigerator: store a **full 50 liters more food**.

OPTIMUM VISIBILITY

The new design of the control panel means better visibility thanks to bigger icons and ease of use.
