

# HIGH SPEED COOKING

EazyPanini & EazyGo: two distinct solutions, one shared mission—speed, quality, and exceptional results.

**ZANUSSI**  
PROFESSIONAL

# EAZYPANINI: EVERYTHING BETWEEN TWO SLICES OF BREAD

EazyPanini transforms sandwich making with contact plates, infrared, and microwaves working in perfect synergy. In under 60 seconds, it delivers a crispy outside, a perfectly heated core, and zero risk of burning—so you can serve faster and smarter.

TOAST READY IN 1' 30"

CLUB SANDWICH READY IN 1' 45"

BAGEL READY IN 1'

## THE IDEAL COOKING FOR EVERY LAYER.

EazyPanini combines contact plates, infrared, and microwave technology to perfectly cook every layer of the sandwich.

**CONNECTED 24/7**  
track performance in real time using data and team feedback.

### FAST & EASY TO USE

Make a crunchy sandwich in less than a minute. Smart solution for a smoother everyday routine.

### ENERGY EFFICIENT

Lower bills with the innovative Energy Saving Mode. Close the lid when the stand-by notification appears and consume 69%\* less electricity

### UNIFORM QUALITY

Consistency every time thanks to advanced, user-friendly technology

### ERGONOMICS

Designed with smooth edges, stable handles, a self-regulating upper plate and extra-large display for comfortable use, all day long

\*Internal test done in Electrolux Professional R&D Laboratory on EazyPanini shows that appliance in Energy Saving Mode consumes 69% less compared to standard usage mode.

# EAZYGO: FULL MENU PRECISION AND SIMPLICITY

EasyGo is the professional oven designed for those who work under pressure. Compact, fast, reliable: it turns every service into an efficient process, with consistent results and quality always under control.

**FROZEN CROISSANTS READY IN 40"**

**FOCACCIA COLD FILLING READY IN 1' 20"**

**PINSA SAVORY READY IN 1' 30"**

## DESIGNED FOR SERVICE. MADE FOR QUALITY.

A single solution designed to ensure full, flexible menus run smoothly across cafés, bakeries, hotels, fast-casual dining, supermarket bar areas, and high-traffic travel locations such as airports and train stations.

### NEW 7" CAPACITIVE DISPLAY

Updated technology for a more intuitive and immediate experience. Easy-to-use interface, clear navigation, and total control in just few taps.

### A COMPLETE MENU, A SINGLE SOLUTION

From starters to desserts, EasyGo guarantees excellent results for every preparation, offering maximum flexibility and consistent quality.

### UNIFORM COOKING, CONSISTENT RESULTS

Optimized heat distribution ensures high performance and consistent quality, service after service.

### DESIGNED TO SIMPLIFY EVERY DAY

Easy-to-use, immediate and reliable, even when the work pace speeds up.
