**PROFESSIONAL**

# SPEED, PRECISION AND SIMPLICITY. THE NEW STANDARD FOR HIGH SPEED COOKING.

FROZEN CROISSANTS READY IN 40"

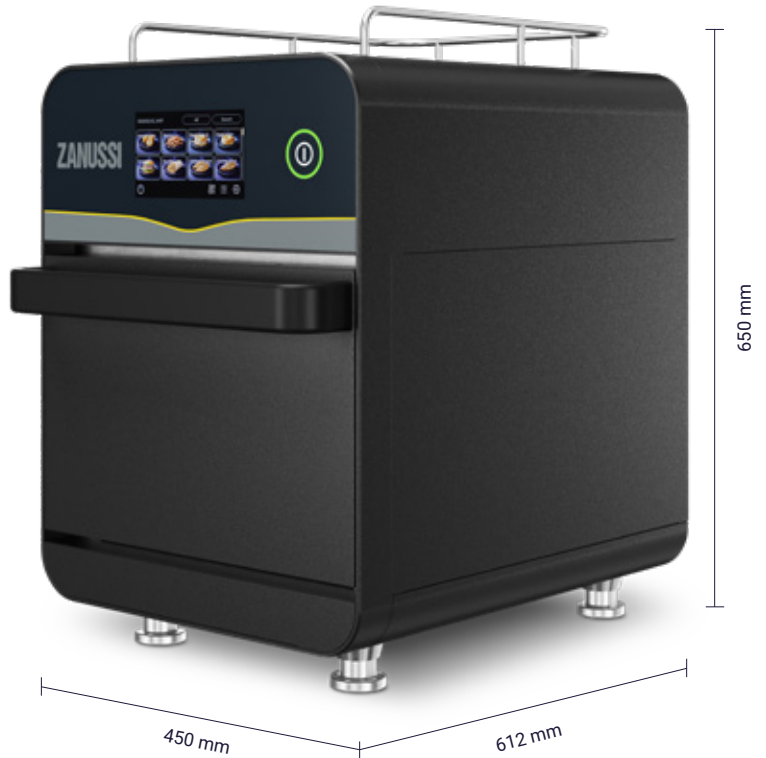

FOCACCIA COLD FILLING READY IN 1' 20"

PINSA SAVORY READY IN 1' 30"

## DESIGNED FOR SERVICE. MADE FOR QUALITY.

A single solution designed to ensure full, flexible menus run smoothly across cafés, bakeries, hotels, fast-casual dining, supermarket bar areas, and high-traffic travel locations such as airports and train stations.

### NEW 7" CAPACITIVE DISPLAY

Updated technology for a more intuitive and immediate experience. Easy-to-use interface, clear navigation, and total control in just few taps.

### A COMPLETE MENU, A SINGLE SOLUTION

From starters to desserts, EazyGo guarantees excellent results for every preparation, offering maximum flexibility and consistent quality.

### UNIFORM COOKING, CONSISTENT RESULTS

Optimized heat distribution ensures high performance and consistent quality, service after service.

### DESIGNED TO SIMPLIFY EVERY DAY

Easy-to-use, immediate and reliable, even when the work pace speeds up.
